Fees and Scholarships

Fees

The tuition fee of full-time undergraduate programmes for 2024/25 is HK\$42,100 for local students and HK\$160,000 for non-local students¹ respectively. Fees are to be paid in two equal instalments.

1. Definition of non-local students:

Non-local students are defined as persons entering Hong Kong for the purpose of education with any of the following student visa/ entry permit issued by the Director of Immigration of the Hong Kong Government:

- student visa/ entry permit
- visa under the Immigration Arrangements for Non-local Graduates
- dependent visa, who are aged 18 years old or above when they were issued with such visa

Those who do not belong to this category will be considered as local applicants. Please check with the Admissions Office on your local/non-local status when in doubt.

Under the current immigration policy, nationals from Afghanistan, Cuba and North Korea(DPRK) may not be able to obtain a student visa to study in Hong Kong. For details, please click here (<https://www.immd.gov.hk/eng/services/visas/study.html>).

For details of the **Admission Confirmation Fee (ACF)** and **estimated breakdown of yearly fees and expenses**, please check here (<https://admissions.hkbu.edu.hk/en/fees.html>).

Scholarships

HKBU offers admission scholarship opportunities to both local and non-local undergraduate applicants. For details, please check here (<https://admissions.hkbu.edu.hk/en/scholarships.html>).

Other Applicants

We also offer exchange programmes, short-term visiting programmes, Higher Diploma and self-financing top-up degree programmes. Mature students may also apply for admission to the University.

Exchange Students

Students who are enrolled in other universities may apply for admission to the University as exchange students normally for one or two semesters with agreement from their home universities regarding transfer of units. For details/ enquiries, please visit the website of International Office (http://intl.hkbu.edu.hk/student_001.php).

Student Sharing

Gaziz Zhumash

Kazakhstan | Computer Science | Year 4

MENU

I had a dream of inventing something with my own hands and HKBU made this dream come true. I did a summer research with Department of Physics to create a potable water generator. I have also got the chance to participate in the 'BEST' entrepreneurship program and be the HKBU representative in Hong Kong Techathon. These experiences help me find an internship as a data scientist at one of the largest banks of my country.
